THE CENTRAL EMPORIUM

has been an iconic location on West Lake Okoboji for more than 100 years. The building was originally built in 1901 and has provided entertainment for generations! During the big band era, the upstairs was a dance hall that hosted famous musicians like Count Basie, the Dorsey Brothers, Woody Herman, Louis Armstrong and Glenn Miller. In 1971 the interior of the building was remodeled and renamed The Central Emporium which contained 2 to 3 stores. Present day, The Central Emporium hosts over 25 shops and two restaurants; continuing to entertain locals and visitors alike for decades to come!

RELAX BY THE SHORES OF WEST LAKE OKOBOJI

West Lake is the largest of a chain of five connecting lakes, which is considered part of Iowa's Great Lakes. According to the Iowa Department of Natural Resources, West Lake Okoboji is comprised of 3,847 surface acres of water with an average depth of 38 feet and maximum depth of 136 feet. There are 19.8 miles of shoreline around West Lake. West Lake Okoboji is considered a blue water lake formed by glacial movements retreating north, and is only one of three blue water lakes in the world. More than 47 species of fish can be found in West Lake, with approximately 11 species of popular sport fish with Muskellunge being the largest.
